

## ***2007 Family Cuvée***

Each year our family gets together and reviews our wines from the previous vintage. Our primary goal being to produce a reserved-oriented blend (from the individual lots) that best represents the estate and that particular growing season. The result is this Family Cuvée. We hope you enjoy it as much as we enjoyed making it for you.

Deep purple with aromas of plum and spicy notes. On the palate are flavors of cherry and cocoa with supple tannins and a long finish. Pair with cassoulet or smoked ribs.
